Calvin Crest Outdoor School Class Groups

This form is optional for schools to generate. If you submit a roster, do so with your Day of Arrival information. If not, we will randomize a roster based upon the cabin list that you send. The number of class groups will depend upon the total number of students and teachers from schools attending for the program.

If you are unsure how many class groups to make, please contact the Outdoor School Director: 559.772.4040 or outdoor.school@calvincrest.com.
