Narrative Description

We are a summer camp, conference center and outdoor school that has been partnering with churches to make life-long disciples of Jesus Christ for more than 60 years. In the last three years God has twice spared us from forest fires. The last fire burned the upper, non-program half of our 340-acre grounds, and yet spared our program area as a beautiful oasis of giant sequoia, cedar, fir and pine forest. God has clearly chosen for this ministry to continue and we are seeking an Executive Director who can lead us into the next chapter in our ministry as we continue to learn how to grow from a camp built by and for its PC(USA) churches to a camp that also serves a broader Christian tribe. Our board has adopted the [statement of faith of Fuller Theological Seminary](#).

In 2017, we had \$1.5 million in revenue and served:

Ministry	Guests
Week Long Summer Camps	656
Weekend Program Camps	291
Weekend Guest Conferences	2410
Four Day Outdoor School	4185

Our secluded 340-acre grounds are surrounded by the Sierra National Forest. We have a blend of hotel and rustic lodging, meeting spaces, outdoor activities, and indoor dining. Located an hour north of Fresno and 30 minutes from Yosemite National Park, retreat groups gather here to rest, worship and connect with God in the majesty of his creation.
