PARENTAL STATEMENTS, PERMISSION, AND RELEASE

By signing this form I give my informed consent to the First Aid personnel assigned by Calvin Crest who are certified in a minimum of CPR and First Aid by a nationally recognized provider in accordance with ACA standard HW-1 to provide basic First Aid and comfort measures through standardized camp treatment procedures. I understand that it is my responsibility to make arrangements for a student with greater health care needs than the First Aid personnel can provide within their individual certifications, licenses, and scopes of practice. I authorize Calvin Crest to arrange for or provide any necessary related transportation to the nearest medical facility for urgent or emergency medical treatment if indicated, and I do assume all responsibility for payment for such treatment. I hereby give permission to the physician selected by Calvin Crest to secure and administer any and all medical treatment deemed necessary for my child, including hospitalization. This completed form may be photocopied for trips away from Calvin Crest properties.

I authorize the use of the following generic, over-the-counter medications as directed by the labels provided by the manufacturer and the Outdoor School designated personnel providing standard procedures for my child: antibiotic ointment, hydrocortisone cream, burn cream, petroleum jelly, chapped skin/lip treatment, antiseptic skin and wound cleansers, analgesic balms and gels, with the exception of _____. I understand that these are stocked and dispensed by the First Aid personnel free of charge as needed for the comfort of my child.

I have requested Calvin Crest to allow my child to participate in any and all activities that may include but are not limited to those noted in the school presentation. As a condition of receiving this benefit, I do hereby agree to the following: I understand that my child's participation in these activities can expose him/her to dangers both from known and unanticipated risks. Acknowledging that such risks exist, I on behalf of myself, my child and any other party who may have the right to assert any rights for or on behalf of my child, do hereby forever release and discharge, indemnify and hold harmless Calvin Crest, its affiliates, officers, directors, agents, employees, insurers, successors in interest, attorneys, or any other person or persons associated with any or all of them who might be liable (the "Released Parties") from and against any and all claims, causes of action, actions, suits, demands, losses, damages, expenses, costs or liability (collectively, "Losses") arising from or in connection with my child's participation in Calvin Crest Outdoor School and its activities, including Losses arising from the negligence of any of the Released Parties, whether such Losses arise in connection with bodily injury (including death), property damage or otherwise (collectively, the "Released Claims"). The Released Claims include Losses arising out of any condition of the premises at which the camp activities are held or the conduct of any person in connection with the preparation for, supervision of, or conduct of any activity, whether planned or unplanned.

I further understand and acknowledge that I make this release in full accord and satisfaction of and in compromise of any and all Released Claims. I represent and acknowledge that I have read and understand this form and the release granted above and warrant that all statements made herein are true to the best of my knowledge.

- I will be responsible for notifying Calvin Crest of any new medication information regarding this student between now and start of Outdoor School.
- I realize that if my child's medications change between now and the date of Outdoor School, it is my responsibility to report such to Calvin Crest.
- I understand that Calvin Crest is located in a remote mountain region and that emergency care, even by ambulance, can take as long as 90 minutes. The student named above has no current condition that would warrant closer emergency medical care.
- If medication is involved, I will instruct my child to take responsibility for reporting at scheduled times for this purpose.
- I understand that Calvin Crest assumes no responsibility for students who leave Calvin Crest grounds for any reason other than programmed activities.
- I have read and understand this entire form and by signing below agree to the terms herein.

I give permission for the use of images and audio or video recordings including my child or articles written by my child to be used in publicity including Calvin Crest website, internet sites (including social media), newsletter, or brochure promoting or reporting Calvin Crest.
