

## Calvin Crest Outdoor School Cabin List

The following cabin list has spaces for the maximum number of beds in each cabin. Individual cabins should be no less than half full, and cabin groups may be moved to an alternate cabin building upon arrival. If your school is attending with another school(s), we will work with you to ensure the right number of total cabins overall. If you need handicap accessible cabins, believe that those cabins in brackets will be needed, or have questions or concerns, please contact the Outdoor School as soon as possible:
