Guest Group FAQs

WHAT IS INCLUDED WITH OUR EVENT?

Your package includes lodging, meals, use of a meeting space, and some free activities. Throughout your retreat, a host is available to answer questions and assist as needed. Your meeting space will be set up according to your specifications and leaders are encouraged to arrive early to add any last minute touches. Your group is welcome to enjoy our hiking trails, sports courts, and playing field.

WHO DECIDES THE MENU?

Multiple groups may be on-site simultaneously. Depending on the group size, you may have the option to select meals before arrival based on a preset menu. If you are not able to select your meals you are able to request an advance copy of the menu. We can accommodate most special diets including vegetarian, kosher, gluten-free, and allergies.

WHAT ABOUT SNACKS?

Free coffee and tea are available in the Dining Hall from 7 AM to 7 PM daily. You are more than welcome to bring snacks and treats for your group. Groups of any size can arrange for the Calvin Crest Store to be open for thirty minutes.

WHAT ACTIVITIES DO YOU HAVE?

We have many activity options at Calvin Crest, ranging from free hiking trails and sports courts to our top-notch Aerial Adventure Course. You will receive our Activities Guide, which lists all available options and rates. Activities should be arranged with the office at least three weeks in advance.

ARE ACTIVITIES OPEN ALL YEAR?

Some activities are seasonal. For example, The Pool and The Flume (our 90-foot water slide into the lake) are open from Memorial Day through Labor Day. In winter, the Adventure Course and Climbing Wall may close if conditions are icy. Our staff is happy to work with you to customize activities your group will enjoy.

WILL WE BE SHARING SPACE WITH OTHER GROUPS?

We have guests on site nearly every day of the year so it is possible another group will be booked at Calvin Crest during your stay. Each group enjoys a private meeting space and lodging. Common area spaces such as our sports court and playing field are first-come-first-served but fee-based activities do not overlap. Groups with 150 or more guests may book exclusive use October through May.

WHAT IF WE HAVE A MEDICAL EMERGENCY?

Guest Groups should bring a participant with First Aid and CPR training who is able to handle minor medical emergencies. For critical needs, emergency vehicles are able to come to Calvin Crest. The near-by town of Oakhurst has three urgent care facilities, and two hospitals are within an hour's drive. Please note that Calvin Crest does not have a nurse on-site.

WHY IS A CONTRACT REQUIRED?

A booking agreement offers security for both parties. It ensures your reservation is set on our calendar—we will not cancel your event in order to book to another group. It also establishes that we will receive a certain level of income from your event as we may have turned away other business in order to host your group.

WHY ARE MINIMUM AND MAXIMUM PARTICIPANT NUMBERS NECESSARY?

A guaranteed minimum number of participants helps us know how many rooms or cabins to reserve for your event. Group leaders are asked to project a realistic estimate of expected campers and then the guaranteed minimum is set slightly below that estimate. On the rare occasion that a guest group has fewer guests than anticipated, the group is still responsible to pay for each reserved spot. On the flip side, sometimes groups have a better-than-expected response and exceed their established maximum. We consider this a great problem to have and do our best to find overflow housing whenever possible.

HOW DO I SIGNUP?

Simply call our office at 559.772.4040 and ask for Guest Group Reservations. We'll walk you through the rest!
