

Dear Parent or Guardian:

Your school is preparing for a time of outdoor education provided by Calvin Crest Conferences. The administration, teachers, and the Calvin Crest staff want your child to have a safe, fun, and educational experience while attending Calvin Crest. Outdoor education includes learning about the outdoors, social growth, and personal maturing. There are at least five hours of class time each full day of participation and additional learning is integrated throughout the program.

Calvin Crest is located approximately one hour north of Fresno and Madera (20 minutes north of Oakhurst), east of Highway 41 at 5,000 feet elevation. There are housing, dining, and recreational facilities on site. Each cabin is heated and equipped with bunk beds and mattresses. Bathrooms have private restroom and shower stalls and plenty of sinks. There are approximately 25 Calvin Crest staff living on site.

The charge for the outdoor education sessions will vary among schools. The school will notify you of the exact amount prior to the time your child will be participating in the program. Please note that the student's family insurance plan is the primary source of coverage for an accident that occurs while the student is attending the program at Calvin Crest.

As this is a week for the students, we do not encourage parent visits and discourage phone calls as hearing a parent's voice can bring on feelings of homesickness. It is primarily for this reason that we do not allow students to have cell phones at camp. If you choose to write to your child, please note that it takes 3-4 days for mail to reach Calvin Crest, and mail that arrives on Friday does not come before students depart. Letters mailed Saturday and Monday will most likely reach your student while (s)he is at Calvin Crest. We recommend asking the post office about delivery time for any mail you send. Should mail come after your child leaves Calvin Crest, we will do our best to return to sender.

Please address mail to your students this way: Calvin Crest Conferences
(Your student's name), (School name)
45800 Calvin Crest Road
Oakhurst, CA 93644

Calvin Crest has a small store where candy, sodas, t-shirts, and other items can be purchased. If your child's school decides to have the store open, we suggest looking at our website to see current prices. Care packages are also available through the camp store. Please see the website for more information.

Oakhurst is equipped with 12-hour/day medical services. In the event your child becomes ill or is injured and needs medical attention, we will make every effort to contact you as soon as possible. If there is an emergency at home and you need to visit or call your child, please notify Calvin Crest (559.772.4040) and the school. We will do what we can to make the necessary arrangements to meet the need of the situation.

The weather at Calvin Crest is often unpredictable, including rain and snow. Nights and mornings are always chilly. Therefore, if possible, it is important that your child have sufficient warm clothing and good shoes. Please follow the guidelines on the enclosed equipment/clothing list. We do have a supply of rubber boots and a limited number of jackets available for student use at no cost. Rain ponchos are for sale at our cost in our store. Please watch weather forecasts on television and check the weather link on our website (www.calvincrest.com) for current forecasts.

We look forward to serving you and your children. If you have any questions, feel free to contact your school or the staff at Calvin Crest: (559) 772-4040 or outdoor.school@calvincrest.com.

Sincerely,

Christina Melahn Outdoor School Director

PARENTAL STATEMENTS, PERMISSION, AND RELEASE: I give my informed consent to the First Aid personnel assigned by Calvin Crest who are certified in a minimum of CPR and First Aid by a nationally recognized provider in accordance with ACA standard HW-1 to provide basic First Aid and comfort measures through standardized camp treatment procedures. I understand that it is my responsibility to make arrangements for a student with greater health care needs than the First Aid personnel can provide within their certifications, licenses, and scopes of practice. I authorize Calvin Crest to arrange for or provide any necessary related transportation to the nearest medical facility for urgent or emergency medical treatment, and I do assume all responsibility for payment for such treatment. I hereby give permission to any physician selected by Calvin Crest to secure and administer any and all medical treatment deemed necessary for my child, including urgent care or hospitalization.

I authorize the use of the following generic, over-the-counter medications as directed by the labels provided by the manufacturer and the Outdoor School designated personnel providing standard procedures for my child: antibiotic ointment, hydrocortisone cream, burn cream, petroleum jelly, chapped skin/lip treatment, antiseptic skin and wound cleansers, analgesic balms and gels. I will contact Calvin Crest with objections prior to the start of the program. I understand that these are stocked and dispensed by the First Aid personnel free of charge as needed for the comfort of my child.

Calvin Crest hereby acknowledges that it will seek to take certain safety measures to help prevent, as best it reasonably can, infection or spread of infectious disease. Such safety measures may include the following: cleaning and disinfecting publicly used spaces, wearing gloves when cleaning and disinfecting, maintaining social distancing from its employees, visitors, and guests, and wearing face masks when in the company of guests. Calvin Crest will stay apprised of any recommendations of the CDC and will consider action accordingly. Further, Calvin Crest may remove any safety measures listed herein once the CDC or the United States, state, or local governments deem such measures are no longer necessary. I acknowledge that I will also take certain safety measures including: ensuring that I do not have any symptoms of communicable diseases prior to entrance onto or use of Calvin Crest's facilities and premises, use of handwashing and hand sanitizer on a regular basis while on the Calvin Crest premises, and where appropriate, maintaining social distancing, and proper use of face masks when in the company of others. In the event that the CDC recommends additional safety measures, I agree to pursue utilization of such safety measures.

I have requested Calvin Crest to allow my child to participate in any and all activities that may include but are not limited to those listed on the website. As a condition of receiving this benefit, I do hereby agree to the following: I understand that my child's participation in these activities can expose him/her to dangers both from known and unanticipated risks. Acknowledging that such risks exist, I on behalf of myself, my child and any other party who may have the right to assert any rights for or on behalf of my child, do hereby forever release and discharge, indemnify and hold harmless Calvin Crest, its affiliates, officers, directors, agents, employees, insurers, successors in interest, attorneys, or any other person or persons associated with any or all of them who might be liable (the "Released Parties") from and against any and all claims, causes of action, actions, suits, demands, losses, damages, expenses, costs or liability (collectively, "Losses") arising from or in connection with my child's participation in Calvin Crest Outdoor School and its activities, including Losses arising from the negligence of any of the Released Parties, whether such Losses arise in connection with bodily injury (including death), property damage or otherwise (collectively, the "Released Claims"). The Released Claims include Losses arising out of any condition of the premises at which the camp activities are held or the conduct of any person in connection with the preparation for, supervision of, or conduct of any activity, whether planned or unplanned.

I further understand and acknowledge that I make this release in full accord and satisfaction of and in compromise of any and all Released Claims. I represent and acknowledge that I have read and understand this form and the release granted above and warrant that all statements made herein are true to the best of my knowledge.

- For medications administered by Outdoor School staff: I will be responsible for notifying Calvin Crest of any new medication information regarding this student. I realize that if my child's medications change between now and the date of Outdoor School, it is my responsibility to report such to Calvin Crest.
- I understand that Calvin Crest is located in a remote mountain region and that emergency care, even by ambulance, can take as long as 90 minutes. The student has no current condition that would warrant closer emergency care.
- I understand that Calvin Crest assumes no responsibility for students who leave Calvin Crest grounds for any reason other than programmed activities.

I give permission for the use of images, audio, or video recordings including my child to be used in publicity including Calvin Crest website, internet sites (including social media), newsletter, or brochure promoting or reporting Calvin Crest.
